Association for Conflict Resolution

Dear Terry:

**Re: 2<sup>nd</sup> Annual Conflict Resolution Day 2006 – Letter of Support**

Congratulations on the initiative of Conflict Resolution Day which we unreservedly support!

This pause to reflect and celebrate provides a valuable rallying point for all practitioners and their supportive organizations.

The work of the ACR is well documented but we at the DRF take this opportunity to thank you for your support. We look forward to deeper collaboration in our activities over the years to come.

Best regards.
